

The smallest, lightest, and best value full colour professional ID card printer.

MAGICARD

Alta

Professional Colour ID Card Printer

This compact, attractive design lends itself for use in company reception areas, and for hospitality applications.

So small and light (only 3.2kg/7lb) it is easily portable.

200 mm
7.8 in

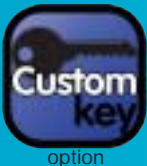

211 mm
8.3 in

First for security - HoloKote™ is an anti-copying watermark printed across the entire card surface, that becomes visible when the card is viewed at an angle.

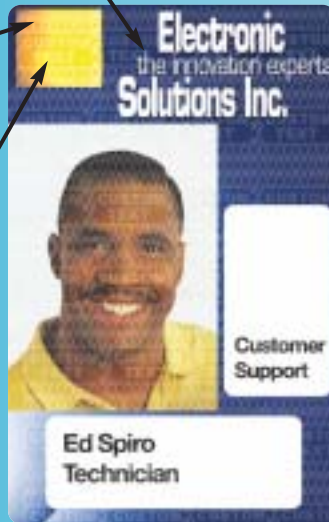

Specify special HoloPatch™ card stock to add daylight visible security to every card.

Your choice of text for the HoloKote™ and HoloPatch™ security features.

Mag stripe encoding.

175 mm
6.9 in
